

SCIB — EVIDENCE RECORD

| | | | |
|------------------|--|--------------------------|----------------|
| Case ID: | SCIB-CC-1991-022 | Exhibit Ref: | E-04 |
| Item: | Engineer Notebook Page (handwritten warning) | Date/Time Seized: | 03/05/91 04:41 |
| Location: | West Harrow Exchange — Main Control Room | | |
| Officer: | D. Monteith #1234 | | |

Item Description

Single notebook page recovered inside clear evidence bag. Page appears to be taken from a ring-bound engineering log pad. Contains handwritten warning in blue ink: "DON'T TRUST THE SWITCHBOARD". Header fields suggest night shift engineering log context.

Document Details

| | |
|---------------------------------|--|
| Document Type: | Night Shift Engineering Log (loose page) |
| Printed Header: | WEST HARROW EXCHANGE — NIGHT SHIFT ENGINEERING LOG |
| Handwritten Time: | 04:38 |
| Handwritten System Note: | SYS STAT OK |
| Handwritten Warning: | DON'T TRUST THE SWITCHBOARD (underlined) |
| Entry Ref / Initials: | Blank (not completed) |

Notes

- Entry appears contemporaneous with incident timeline.
- Page is not signed/initialled — possible removal prior to completion.
- Warning text matches phrase used later as SCIB recovery key (REC■04).
